We are looking for someone who is kind, caring and works as part of a team. They should be creative, enthusiastic and committed to the children and our school family. We would like someone who has high expectations of themselves and the children and wishes to provide the very best teaching and learning opportunities for the children, believing that every child can and will succeed. We would like someone who can form positive, effective relationships within our close knit school community, taking an active part in all aspects of school life. Promoting our Christian ethos is very important. Experience of teaching a mixed-age class would be desirable.

We can offer:

- Wonderful pupils who enjoy learning and a supportive, friendly school community.
- Caring and experienced staff who work incredibly hard as a team for the children at Haresfield.
- Good CPD, support and training opportunities through our membership of our Challenge Hub of schools.

If you are interested, please contact the school office to arrange a visit and to arrange for an application form as soon as possible.

This school is committed to safeguarding and promoting the welfare of children and young people, and expects all staff, and volunteers, to share the same commitment. This is an inclusive school. This post is subject to an enhanced DBS check.
