	<p>Specific resources and strategies will be used to support your child individually and/or in groups which will be reviewed as part of the assessment marking scheme employed at our school.</p> <p>Planning and teaching will be adapted on a daily basis if needed to meet your child's learning needs. this includes; adapting the layout of the classroom, your child's timetable, differentiated targets and work and more. We work in a solution focused way, adapting and individualising the curriculum to best meet need.</p> <p>Any changes to your child's work or timetable will be discussed with you and be part of a targeted reward based provision plan, monitored and reviewed by the TAC regularly for success. This could be daily/weekly/termly depending on the target / provision.</p>
How will we measure the progress of your child in school?	<ul style="list-style-type: none"> • Your child's progress is continually monitored by their teacher. This takes place at the end of each lesson and with input from any support staff and the pupil themselves. • Progress and attainment is reviewed formally every term and an expected level of progress and attainment is given in the subjects; Reading, Writing and Maths in KS1 and 2 and across the EYFS subjects in YR. • If your child is working towards the expected level of progress and attainment in KS1, your child will be assessed using an appropriate scale of levels to their attainment. • At the end of Key Stage 1 and 2 the school is required to report levels of progress and attainment for English, Maths and Science for your child. This is something the government requires all schools to do and the results are published nationally. • The progress of children with a statement of SEN/ EHC Plan is formally reviewed at an Annual Review with all adults involved with the child's education. This includes you as the parent and this will have been outlined and planned when the EHC plan was set up with you and your child. • The SENCO will also check that your child is making good progress, within any individual work and in any group that they take part in, by monitoring provision feedback and liaising with TA's, class teachers and the head teacher.

What support do we have for you as a parent of child with an SEN?

- As a new parent to the school we provide a profile service which helps us get to know your child and their learning needs which includes a home visit and some questionnaires. This is to best meet your child's needs and establish a good relationship.
- We also, throughout the year, run family learning style meetings and workshops to inform you about subjects your child will be learning about and how to best support your child.
- At the beginning of each new school year we have class meetings to find out about the class rules and expectations. If you have any concerns about your child in the classroom this would be a good time to talk to the class teacher to raise concerns you may have. We will also make sure a copy of termly plans and targets are provided so that you know what your child is learning at school and can support them at home.
- As an ongoing principal, we would like you to talk to your child's teachers so we know what they are doing at home and we can tell you about what we are doing in school. We hope this will make sure that we are doing similar things to support your child both at home and school and can share what is working in both places. If there are any changes to home life please let us know in order to best provide support for your child.
- The SENCO is available to meet with you to discuss your child's progress or any concerns/worries you may have. To make an appointment to see the school SENCO ring the school office or email admin@haresfield.gloucs.sch.uk
- The head teacher is available to meet with you to discuss your child's progress or any concerns/worries you may have. To make an appointment to see the head teacher ring the school office or pop in at the beginning or the end of the day. Or email head@haresfield.gloucs.sch.uk

SEND SCHOOL OFFER reviewed September 2022

- You are able to email your class teacher or the head teacher or contact them via the main administration email or school office number at any time
- All information from outside professionals will be discussed with you personally, either with the professional involved directly, or where this is not possible, in a report. Your class teacher in liaison with the SENCO may also arrange to meet with you to discuss any new assessments and ideas suggested by outside agencies for your child.
- We strongly believe in communication as being the key to solving problems especially when it involves your children and concerns you may about their progress. Please feel able to communicate with us on any issue however small if you feel concerned or unsure at any time. We offer early help as a principal, in as much as sharing a problem and getting support in early helps resolve problems more quickly.
- We offer Early Help to families, with their consent. Early help is a LA run service (Glosfamilies have a website) to provide ongoing support and advice for families including; advice on and referral to parenting workshops and training, family support workers and a signposting service for LA and private service in the county.
- At Haresfield we have an Early Help coordination Hayley Haddock, who works closely with our SENCO and staff team to best support and be available to parents.
- Early help is one of a range of services and support programmes/ interventions we offer for parents. Others include; Family learning, working with yourself and your child with a member of staff at school, parent support and drop in and (during times when school isn't accessible), Microsoft video teams meetings, telephone advice and ring rounds to maintain good communication and identify concerns early and safely with parents.
